Cycle the WAVE 2017 Detour route:

The 70-mile, 45-mile and 29-mile route will all use the same detour to get around the construction area on East Lake Sammamish Trail. We will depart the trail at 51st, turn left on 220th and then right on the Sammamish Road bike lane (& sidewalk) until the riders merge fully onto the sidewalk trail @ 10th (Vet Hospital intersection). The bike trail continues as we cross over I-90. Controlled intersections will assist riders crossing the roads, with added Police assistance at SR900 & NW Sammamish Rd and Newport Way & SR900 to assist in rider crossings. We have assigned an addition 10-12 volunteers to also assist everyone in a safe manner.
